FAQ

Q: How do I reset my StudentHub portal password?

A: Click on the "Forgot Password" link on the login page. Enter your official student email address (@student.edu), and we will send you a secure link to reset your password.

Q: Why does my dashboard say my account has a "Hold"?

A: A portal hold is placed on accounts due to outstanding tuition fees, missing library books, or incomplete medical records. You can check the specific reason and resolving steps under Finance > Account Holds.

Q: How can I update my emergency contact information?

A: Go to your Profile (top-right avatar) > Account Settings > Personal Info to update your phone number, home address, and emergency contacts.

Q: How do I register or drop a course for the current semester?

A: Navigate to the Classes tab on the main navigation bar. Select Course Registration, search for your desired course code, and click "Enroll". To drop a class, find it in your active schedule list and click "Drop".
